

# Compassion Ministries

November 2020

## *Engaging His world*

*As a mission-minded church that God has established in a cosmopolitan city of great need, we want to communicate the gospel of hope to those living near to us and to those God brings to our city. We want to extend the love of Christ to vulnerable people in word and action. We want to reach the nations with the good news of Jesus.*

**Members and attendees at Highfields seek to demonstrate practically God's love to those who are in physical and spiritual need both in Cardiff and across the world.**

This document sets out the compassion ministries which are currently supported by Highfields and gives an outline of the ministry, how you might get involved and/or how you might pray effectively for these ministries to make an impact for the kingdom.

# North Cardiff Debt Centre

## Background to the Ministry

Highfields, in partnership with St Mark's Church, Gabalfa has set up a debt centre in the north of the city. Christians Against Poverty is a Christian charity which helps lift people who are trapped in debt and poverty to debt free living. There is currently no other CAP centre in Cardiff.

## What is involved in the Ministry?

- A CAP Debt Centre provides debt counselling through community-based visits to lift people out of debt and poverty
- There are a few stages to the process:
  - Visit the client to discuss the process and gather data
  - CAP head office (FCA authorized) consolidate the debts to a single monthly payment to CAP and Cap deals with the creditors taking the burden from the client
  - The client is visited to explain the the budget and repayment plan

## What is the impact for the kingdom?

"I am overwhelmed by what God has done. To see thousands of lives changed every year is truly wonderful. I do believe that God has given us a 21st Century answer to one of the most pressing social needs within society today. Jesus met people's needs with love, compassion and practical help. Our desire is to simply do the same and watch the miracles unfold."

John Kirby, Founder, CAP

## Prayer Requests

- That the ministry would become firmly established in Cardiff as a real partnership with St Marks, with a trained Debt Coach and sufficient befrienders;
- That clients would be helped and provided with necessary financial help;
- That clients may experience the love of God through the empathy and compassion of the ministry.

## How can you get involved?

As well as the Debt Coach, befrienders are needed to help support the client through the process – this is likely to involve perhaps three visits over as many months. You will need a caring, non-judgmental attitude but you do not need to be a financial expert!

## Dalton Street Lunch Club

### Outline of the Ministry

### Who is the Ministry intended to help/serve?

*Elderly, often lonely and confused residents of Cardiff to whom the club offers the opportunity for company, friendship and at least one good cooked meal.*

# Homeless Run

## Outline of the Ministry

*Churches from in and around Cardiff meet every night in central Cardiff to provide food and hot drinks for homeless people who gather there. Highfields church does this once every 4 weeks, on a Sunday evening.*

## What is the impact for the Kingdom?

*Jesus said we should love our neighbour. This is a real and practical demonstration of how we can do this and share the love of Jesus to those who are in real need.*

*We can't fix the problem of homelessness, but we can help those in real need even in this small practical way. We serve Jesus by serving these people.*

## Who is the Ministry intended to help/serve?

*Anyone who needs food, hot drinks or a chat. We are often able to provide other things such as clothes, toiletries, sleeping bags and gloves.*

*We are there to help anyone who is in need. The people we help aren't always actually homeless – but they have real need for what we provide. Some people do have places to live, but many are homeless and live in tents or on the street. Many have drink/drugs dependencies and others have mental health issues. All are vulnerable in so many ways. As well as providing food, this is a caring ministry and we aim to get alongside and engage with these people who may be suffering from depression and loneliness, and often other desperate situations, to listen and chat with them, showing and sharing the love of Jesus the best way we can.*

## Prayer requests

- *These people have nothing, no hope - their situation is desperate. Please pray that this would change.*
- *Safety for all those who are living on the streets and also for us as a team when we're out there on the street.*
- *That we have sufficient regular volunteers to help us maintain this Ministry throughout the year.*

## Skills and attributes needed

- *Heart for the homeless and disadvantaged, caring, listening*
- *Non-judgemental*

UNITED IN THE GOSPEL, EXTENDING HOPE TO THOSE IN CHAINS

## Outline of the Ministry

*Red Community is a gospel-centred justice ministry that exists to raise awareness about, and support survivors of, modern slavery and human trafficking, especially in the context of Wales. As well as numerous awareness raising initiatives in local churches, schools and community events we also provide financial support and a befriending service for survivors.*

## Who is the Ministry intended to help/serve?

*Primarily Red Community seeks to help and support survivors of modern slavery. However, we also have a passion to serve the local church in Wales and to help them better understand the issues around modern slavery and human trafficking whilst also providing opportunities to respond.*

## What is the impact for the Kingdom?

*The Bible is literally dripping with references to God's heart for the poor, the marginalised, the suffering, the exploited and the enslaved. Scripture also reveals that God is passionate about justice and that His desire for His people is to pursue justice in a way that honours Him and reflects His Kingdom here on earth. Every prayer that is prayed, every penny invested, and every person liberated and loved out of slavery is a flesh-and-blood demonstration of God's Kingdom advancing here on earth.*

## Outline of the Ministry

Operation Christmas Child is a project of the evangelical Christian charity, Samaritan's Purse UK and it seeks to demonstrate the love of God through supplying the world's children with a shoebox gift at Christmas. Each shoebox gift is packed with fun gifts, school supplies and hygiene items for children worldwide in areas suffering poverty, famine, war, disease and disaster.

## Who is the Ministry intended to help/serve?

Operation Christmas Child works with 75,000 local church partners in over 100 countries each year with the aim of offering them an effective tool to engage their community's needy children and engage long term with their families. The ministry shows Jesus' love through the demonstration of the gospel in action and by equipping and resourcing local churches worldwide to share the gospel effectively to unreached people groups.

## What is the impact for the Kingdom?

Since 1990, more than 178 million children in over 160 countries have experienced God's love through the power of simple shoebox gifts from Operation Christmas Child. When a child receives the loving shoebox gift, they are offered an illustrated booklet in their own language called "The Greatest Gift" which shares the gospel message. They are also invited to attend a follow up 12 session bible discovery course at their local church. On completion of the Greatest Journey course, all children completing have a graduation service and are presented with a Certificate and a New Testament in their own Language. Since 2009, over 23 million children have attended "The Greatest Journey" with over 11.2 million reporting having made a decision for Christ – this amounts to 1 in every 5 shoeboxes packed, leading a child to faith in Jesus!

## Prayer requests

- For individuals and churches in the UK to continue to be encouraged by the ministry of Operation Christmas child and to joyfully pack shoeboxes to send to children overseas.
- That God continues to use OCC shoeboxes to see more children, families and communities transformed as they hear the gospel and receive Christ.
- We thank God that 77 countries can still operate with OCC this year despite the impact of Covid-19.
- Please pray for our UK staff, volunteers and overseas Church partners as they seek to receive and distribute the shoeboxes through a difficult year.

## How can you help?

- Pack a shoebox for a child this year and pray for the child who will receive it, that it will have great impact and lead them to hearing more about Jesus.
- Consider a gift for the Greatest Journey programme (*this is funded separately to the shoebox shipping cost – roughly £5 per child that attends*).
- Explore Samaritan's Purse and its other disaster response programmes and ministries.
- Pray for our overall ministry, for our church partners especially as they seek to love their communities, plant church and reach unreached people groups with the Gospel.

## When

*OCC Shoebox packing promotion Sept-Nov (yearly)  
National shoebox collection week – 2<sup>nd</sup> week of November (9-16<sup>th</sup> Nov 2020)*

## TEARFUND

CHRISTIAN ACTION WITH THE WORLD'S POOR

As a Christian charity, Tearfund believes that everyone has an amazing God-given potential to create change. Tearfund shows people around the world how to unlock these gifts and put them to use escaping poverty. Many of Tearfund's partners in this work are local churches, who discover how to offer their communities material and spiritual hope. When disaster strikes, Tearfund is ready to respond. They encourage men and women like ourselves to speak out about issues that affect those affected by poverty. Supporting Tearfund empowers millions more to end extreme poverty.

Highfields members support these ministries both financially and as volunteers.

## INTERNATIONAL JUSTICE MISSION

International Justice Mission is an organisation founded on the Christian belief that God loves all people and everyone deserves to experience that love. IJM believes that persistent violence is one of the main causes of poor people remaining in poverty and it seeks to bring justice to those that are living outside of a safe justice system. Their work is not just about rescuing the victims of violence, but it is also about bringing criminals who live outside of the law to justice, as well as supporting rehabilitation for the victims of these crimes whilst working with local authorities to improve justice systems.
